### About Organization -

Piramal Foundation is a philanthropic arm of Piramal Group. The foundation undertakes projects under the four broad areas – healthcare, education, livelihood creation and youth empowerment. These projects are rolled out in partnership with various communities, corporate citizens, NGO's and government bodies.

Piramal Swasthya is a registered non-profit organization supported by Piramal Foundation and believes in Democratizing Healthcare - making healthcare accessible, affordable and available to all segments of the population, especially those most vulnerable. In order to achieve this goal, we leverage cutting edge information and communication technologies to cut costs without compromising quality as well as public-private partnerships to scale its solutions throughout India. We are present across India in 13 states with a 3800+ strong employee team comprising of 450+ Doctors and specialists. Our innovative technology based solutions have helped State governments to address the issue of availability and accessibility of quality healthcare to needy sections of society.
